Tasting Notes: Juicy, with flavors and aromas of black currant, blueberry compote, dark chocolate, and spiced cherry.

Winemaker Notes: Fruit was 100% destemmed and harvested at optimal ripeness, with a focus on balanced extraction during fermentation to build structure while preserving freshness. The wine was pressed just prior to dryness, at a point where tannins remained refined and in harmony. The Mencía was aged for approximately 8 months in French oak barrels, with limited use of new oak to support texture while maintaining the purity and vibrant character of the variety.
