Tasting Notes: Vibrant aromas of yellow rose, nectarine, orange peel, green mango, and slate. This is lively, mineral driven Pinot Gris with flavors of honeydew melon and sweet citrus. Balanced and fresh.

Winemaker Notes: The 2026 growing season in the Willamette Valley provided us with ideal conditions for steady, balanced ripening. Moderate summer temperatures, abundant sunshine, and cool nights allowed the fruit to develop gradually while maintaining its natural acidity. Beautiful weather during the harvest season allowed us to give the grapes time to develop depth of flavor and aromatic complexity. We're excited by the freshness, balance, and expressive fruit character we're seeing in the wines from this vintage.
